

ANKIT JALLAN & CO.

Firm Profile & Capabilities

Ankit Jallan & Co. is a technology-first Chartered Accountancy firm based in Guwahati, Assam, established in 2012. We focus on audit & assurance, internal controls, system validation, data analytics and business process improvement — integrating financial insight with AI and automation to help clients improve operational efficiency and achieve sustainable growth.

We are the only CA firm in North-East India offering software development and cloud-computing services alongside a full assurance and advisory practice, serving clients across India and beyond.

The founder — Ankit Jallan

A Chartered Accountant with 14+ years of post-qualification experience, blending audit expertise with a deep command of technology, data analytics and AI. An ICAI-empanelled faculty member who has trained more than 10,000 professionals in Excel, information systems and Generative AI.

- Chartered Accountant (ICAI) · DISA — Information Systems Audit · AICA Level 1
- Concurrent Audit of Banks (ICAI) · M.Com (Hons.), Gauhati University
- ICAI faculty — Advanced IT (CA Final) since 2013; AICA-L1 (AI) since Nov 2024
- Co-author of two ICAI books on AI; national Excel & Gen-AI trainer
- Member, Professional Skills Enrichment Committee, EIRC of ICAI (2024-25)
